

## Step 1:

Go to [www.seminoleblueprintinc.com](http://www.seminoleblueprintinc.com) and click the link Upload Plans.

The screenshot shows the website of Seminole Blueprint, Inc. in an Internet Explorer browser window. The address bar displays <http://www.seminoleblueprintinc.net/>. The website header includes the company name "SEMINOLE BLUEPRINT" and the address "2915-1 East Park Avenue :: Tallahassee, FL 32301 :: 850-671-2714". A left sidebar contains a list of navigation links: Home Page, Services, Online Plan Room, FAQs, Upload Plans, Links, and Contact Us. A large green arrow points to the "Upload Plans" link. The main content area features a "Welcome" section with a small image of a house model on a blueprint and text describing the company's commitment to quality and customer service.

**Welcome**

In Tallahassee's architectural, construction and engineering community Seminole Blueprint strives to be a leader in the blueprint copying & scanning sector by providing fair prices with exceptional quality and customer service.

To accomplish this goal, Seminole Blueprint understands the importance of maintaining a good professional relationship with each client through honesty and integrity in all aspects of business while caring for all of its employees by offering fair wages and benefits and maintaining a safe and enjoyable workplace.

Seminole Blueprint will work with the Tallahassee community through charitable organizations and community involvement, while maintaining our faith in God and giving Him thanks for all that he allows us to accomplish.

## Step 2:

## Step 3:

To access plans, click the My Files link.

To upload plans, click the Upload link.

A screenshot of a web browser displaying the "Seminole Blueprint File Exchange Area". The browser is Internet Explorer, showing the address bar with the URL "http://www.seminoleblueprintinc.net/storage/index.php?view=userhome". The page has a blue header with the "Seminole Blueprint File Exchange Area" title. Below the header is a navigation bar with links: HOME, MY FILES, UPLOAD, VIEW / CHANGE PROFILE, and LOG OFF. The main content area is divided into two sections. On the left, a "Main Menu" section lists "My Files", "Upload", "View / Change Profile", and "Log Off". A large green arrow points to the "Upload" link. On the right, a "Navigation" section contains buttons for "HOME", "MY FILES", "UPLOAD", "PROFILE", and "LOG OFF". The footer of the page states "Powered by Website Diner LLC", "BKWorks Multi-User File Manager Version 1.00 Beta", "Built on 17 Mar 2008", and "Copyright © 2008 BKWorks Products". The Windows taskbar at the bottom shows several open applications, including "Inbox - Microsoft O...", "Adobe Photoshop", "set.pdf - Adobe Acr...", "Seminole Blueprint ...", and two instances of "ftp://ftpserver.go-b...". The system clock in the bottom right corner shows "2:13 PM".

## Step 4:

Specify the number of plans to upload and browse to each file individually.

(You can .zip multiple files as one instead of uploading each file individually.)

The screenshot displays the 'Seminole Blueprint File Exchange Area' in a web browser. The 'Upload Section' is active, showing a dropdown menu for 'Files To Upload' set to 8, with a green arrow pointing to it. Below this, there are eight 'Browse...' buttons for selecting files, and an 'Upload Now' button. A 'Choose file' dialog box is open, showing the 'Computer' view with a list of drives and folders. A green arrow points to the 'Open' button in the dialog. The background shows a list of file types (dwg, dxf, ai, pub, zip, inx, tiff, xls, indd, ttf, otf, dwfx, ppsx, aix) and a note about file sizes (150 MB, and any series of uploads over 500 MB). The footer includes copyright information for BKWorks Multi-User File Manager Version 1.00 Beta, built on 17 Mar 2008.
